

May Great Grace Fall Upon Us

Verse 1

Lord we read in Thy Word,
How Thy people once were stirred
When Thy Spirit came and shook their meeting place
How our hearts long to know
Of that Grace that stirred them so
Hear our prayer, O Lord, as now we seek Thy face

Chorus

May great grace fall upon us, Lord we pray
May great grace fall upon us, Lord, today
May Thy Word be preached with power,
Fill our need of Thee this hour,
And may great grace fall upon us, Lord we pray

Verse 2

Lord, today, as long ago,
We Thy people need Thee so
For Thy power alone can light the Gospel flame
Lord, be pleased to bless this place
With the Spirit of Thy Grace
Send Thy Gospel forth and glorify Thy Name

Chorus

May great grace fall upon us, Lord we pray
May great grace fall upon us, Lord, today
May Thy Word be preached with power,
Fill our need of Thee this hour,
And may great grace fall upon us, Lord we pray
