

# Look And See The Kingdom Cometh

## **Verse 1**

Look and see the kingdom cometh,  
Jesus speaks and demons flee.  
Yea and He has bound the strong man,  
All his house He's plundering.  
Take it all Lord! Take it all Lord!  
All that does belong to You.

## **Verse 2**

Look and see the kingdom cometh,  
The prince of this world cast out.  
Jesus lifted up on a cross,  
Now draws men from all about.  
Win the day Lord! Win the day Lord!  
Put the enemy to flight.

## **Verse 3**

Look and see the kingdom cometh;  
From heaven, an angel sent.  
Chain in hand, he seized the dragon;  
Satan, that ancient serpent  
Throw him down Lord! Throw him down Lord!  
Bind him for a thousand years.

## **Verse 4**

Look and see the kingdom cometh,  
Jesus has authority.  
Reigning over earth and heaven,  
His rule spreads from sea to sea.  
Fill the earth Lord! Fill the earth Lord!  
With the knowledge of Yahweh.
