

Your Will

Verse 1

Your presence Lord, is my treasure,
It soothes and carries me through pain.
Your will alone is my pleasure,
My joy although I may be slain.

Chorus

Your Will, Lord your will
How I long for your will!
May my heart ever blend
With your will! Amen.

Verse 2

Willingly I yield my heart,
And trust your ways are always good.
The darkest clouds of doubt depart,
When from myself to Christ I look.

Chorus

Your Will, Lord your will
How I long for your will!
May my heart ever blend
With your will! Amen.

Verse 3

The way Your Spirit moves and guides
Is holy and unsearchable,
So teach me how to glorify,
And please you from my inmost soul.

Chorus

Your Will, Lord your will
How I long for your will!
May my heart ever blend
With your will! Amen.

Verse 4

Though heavy trials you may send,
The joy you give's unspeakable,
You cause my heart to rest content,
For I know that you are in control.

Chorus (x2)

Your Will, Lord your will
How I long for your will!
May my heart ever blend
With your will! Amen.
