

# Psalm 125

## **Verse 1**

All those who trust in God, the LORD  
Shall be like Zion's hill  
Shall be like Zion's hill  
Which can't be moved, nor ever will  
But yet abideth still  
But yet abideth still  
But yet, abideth still

## **Verse 2**

As round about Jerusalem  
The mountains stand always  
The mountains stand always

From now and evermore  
From now and evermore  
From now and evermore

## **Verse 3**

For lo, the scepter of the vile  
It will not come to rest  
It will not come to rest  
Upon the land giv'n to the just  
Lest just men worketh ill  
Lest just men worketh ill  
Lest just men worketh ill

## **Verse 4**

Do good, O LORD, to those who are;  
To good men, good impart  
To good men, good impart  
And do, Thou, good to all who are  
Upright within their hearts  
Upright within their hearts  
Upright within their hearts

## **Verse 5**

O, banish all who turn aside  
To crooked ways depart  
To crooked ways depart  
Thee evil one, He leads away  
But Israel, peace imparts  
But Israel, peace imparts  
But Israel, peace imparts
